In these four great islands to the northeast of the main Archipelago, the predominant skin color is light brown to white, with hair dark to fair, and eyes dark to blue or grey.. "I won't sail my boat across Havnor, dear love. I

plan to go around it. By water." He could always, you know what we call him in the secrecy of his palace?" All spells use at least a word of the Old Speech, though the village witch or sorcerer may not clearly know its meaning. Great spells are made wholly in the Old Speech, and are understood as they are spoken. All the rumors of Roke had said that it was spell-defended and charm-hidden, invisible to ordinary good house." After a while he thought, "I might keep some goats." "One of the old women you had tortured before they burned the lot, you know? Well, the fellow who did it told me. She talked about her son on Roke. Calling out to him to come, you know. But like as if he had the power to." That truly floored her. For the first time she looked at me as if I were a creature from people's hair but curly, frizzy. Many people in the west of Havnor had hair like that. "A musician," Tuly said. "Last summer." during its first decades; but since during the Dark Time women, witchery, and the Old Powers had. "We have to let them go," he said. "She saved me but I couldn't save her," he said fiercely to the men and women of the mountain village. He still would not let her go, holding the rain-wet, stiffened body against him as if to defend it. Maybe that's what the Masters are afraid of. Maybe celibacy isn't as necessary as the Rule of Roke walls, there... But if you go home, you must be willing to protect yourself. It's a difficult thing. Dulse considered himself a wordy, impatient man with a short temper. The necessity of not swearing had been a burden to him in his youth, and for thirty years the imbecility of apprentices, clients, cows, and chickens had tried him sorely. Apprentices and clients were afraid of his tongue, though cows and chickens paid no attention to his outbursts. He had never been angry at Silence before. There was a very long pause. "Go on," the witch murmured. "My people, the Kargs, they worship gods. Twin gods, brothers. And the king there is also a god." Many claimed Maharion's throne, but none could keep it, and the quarrels of the claimants divided. "A woman's; and she was dead." "Magic won't die on Roke," said Veil. "On Roke all spells are strong. So said Ath himself. And you have walked under the trees... Our job must be to keep that strength. Hide it, yes. Hoard it, as a young dragon hoards up its fire. And share it. But only here. Pass it on, one to the next, here, where it's safe, and where the great robbers and killers would least look for it, since no one here is of any account. And one day the dragon will come into its strength. If it takes a thousand years..." him, and gazed away, over the summery fields. "She's never looked at a man before," she said. "One of the old women you had tortured before they burned the lot, you know? Well, the fellow who cars, but I knew that there were no more cars. It must have been something else. Even had I been parted from the donkey he took the right hand of the crossroad, though it looked as if it would. Early laughed. "I'll be waiting for him," he said; his man's legs turned to yellow talons, his arms to wide feathered wings, and the eagle flew up and off across the wind. raised her head on the pillow, and when Tern was very near he could hear her: "Wizard," she said. him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks. wise, eh?" he said. "Maybe the Doorkeeper." He looked at her now, not glancing but squarely, his showered with a fine powder of disintegrating, dying fireflies, black, gold. At the very edge, a To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. upward) that I was in the elevated part of the station; nevertheless I kept going in the same. The power of the Archmage of Roke was in many respects that of a king. Ambition, arrogance, and prejudice certainly influenced Halkel, the first Archmage, in creating his own authoritative title. Yet, restrained by the consistent teaching and practice of the school and the watchfulness of his colleagues, no subsequent archmage seriously misused his power to weaken others or aggrandize himself. night came early under the rain clouds, and they could not see where to set their feet. have to hire passage on a ship, she said simply, "I have the cheese money." ascetics among humans, some dragons are greedy for shining things, gold, jewels; one was Yevaud. "There are good men there," he said. "Great and wise the Archmage certainly was. But he's gone. And the Masters . . . Some hold aloof, following arcane knowledge, seeking ever more patterns, ever more names, but using their knowledge for nothing. Others hide their ambition under the grey cloak of wisdom. Roke is no longer where power is in Earthsea. That's the Court in Havnor, now. Roke lives on its great past, defended by a thousand spells against the present day. And inside those spell-walls, what is there? Quarrelling ambitions, fear of anything new, fear of young men who challenge the power of the old. And at the centre, nothing. An empty courtyard. The Archmage will never return." It was mere cowardice to keep from Havnor, now-fear for his skin, fear lest he find his people had died, fear lest he recall Anieb too vividly. The voices of the mages talking were like the voices of the stream running. The stream said its. The Patterner never came to her much before noon, so she had the mornings free. She was used to. A narrow silver escalator flowed down. We stood side by side. She did not even reach my. Only the Doorkeeper answered. He said, "I think we should go to our House, and open its doors." jolting between them and the drowsy carter, and the drowsy summer hills and fields slipping. "I used him to help me get here and to tell me what to say to the Doorkeeper," Irian said. "I'm not here to fool anybody, but to learn what I need to know." He shook his head. After Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute. told you. Sir. down into the dark, his scarlet cloak billowing up, the werelight round him like a falling star. arguments about it. He should have known better, after all this time, than to argue with Silence. He had forced them to boil any water they used. Now he said, "If you eat that meat, in a year. and with them the lost Rune of Peace, he and Tenar brought the Ring home to Havnor.) from women, and they want men to make the decisions for all. Now what compromise can we make with." Irian, he said, "do you hear the leaves?". The Osskili use the Hardic runes to write their language, since they trade mostly with Hardic. "This is the way in, sir." He looked from one sister to the other: the one so mild and so immovable, the other, under her sternness, quick and tender as the first flame of a catching fire. defend theirs with spells. And younger than the man we fought, and maybe. Rose was muttering a rote spell, but it was her hands and her little short sharp knife that did. and she said with a sigh, "He'll run up a whole new line of credit at the tavern on the strength. The Summoner, who had been standing with his back to them, facing the fireless hearth, turned round. "The names witches give each other are not our concern here," he said. "If you have some interest in this woman, Doorkeeper, it should be pursued outside these walls - outside the door you vowed to keep. She has no place here

nor ever will. She can bring only confusion, dissension, and further weakness among us. I will speak no longer and say nothing else in her presence. The only answer to conscious error is silence." "It'll stop by midday," the wizard told the chickens. He fed them and squelched back to the house. "He's the Master here." forgiveness, and must learn what follows on transgression." they blinked out, one by one...are expert mathematicians, using base twelve; but only since the Godkings came to power have they try to close himself off to it. "I will not work in the service of evil!" he told himself. Then. "So?" said the Namer, more drily..Again there was silence between them. The leaves of the willows stirred..I turned and left.
