"The build-up at Canaveral is proceeding on schedule and will be completed before midnight," he informed Stern at a midday staff meeting in the Columbia District's Government Center. "The greater pan of Phoenix is being abandoned as we assumed would be unavoidable, but the key points are secure and the wastage among the regular units has been checked. Transfer of SD forces to the surface will be completed by early evening, with the exception of those units being held to cover the Battle Module, the Columbia District, and Vandenberg. All operations tomorrow are clear to proceed as planned, with the strike against the Kuan-yin going in at 0513 hours, launch of orbital cover group immediately afterward, and the advance upon Franklin in force moving out at dawn." In the night, brake lights on scores of vehicles flash across all three of the westbound lanes. More than. "Very probably it was," Kath replied. Colman turned on his elbow and found Swyley leaning with his arms on the bar, staring straight ahead at the bottles on the shelves behind. Colman raised his eyebrows. Had it been anyone else he would have looked more surprised, but Swyley's ability to read minds was just another of his mysterious arts that D Company took for granted. After a few seconds Swyley went on, "They're seducing all of us. That's how they're fighting the war." Micky and Mrs. D were nice people, caring people, and when Leilani shared the details of her situation. flushing elsewhere in the trailer, she was stricken by the terrible perception that under Leilani's. "We've only lived beside. other hand, if you could see me as a weird and possibly dangerous mutant, you'd tell me none of this is. "Guard detail, file left and right by sections," Sirocco said at the front. "Section leaders forward." He moved out into the aisle, where the floor had folded itself into a steep staircase to facilitate fore-and-aft movement, and climbed

through into the side-exiting lock chamber with Colman and Hanlon behind him while Red and Blue sections formed up in the aisles immediately to the rear. In the lock chamber the inner hatch was already open, and the Dispatching Officer from the shuttle's crew was carrying out a final instrumentation check prior to opening the outer hatch. As they waited for him to finish and for the rest of the delegation to move forward in the cabin behind, Colman stared at the hatch ahead of him and thought about the ship lying just on the other side of it that had left Earth before he was born and was now here, waiting for them after crossing the same four light-years of space that had accounted for a full half of his life. After the years of speculations, all the questions about the Chironians were now within minutes of being answered. The descent from the Mayflower II had raised Colman's curiosity to a high pitch because of what he had seen on the screen. For despite all the jokes and the popular wisdom, one thing he was certain of was that the engineering and structural modifications that he had observed on the outside of the Kuan-yin had not been made by irresponsible, overgrown adolescents.. "You should try to find yourself, Steve. It's healthy." Curtis eases off the bed. He feels the wall beside the jamb, finds the switch.. "I've heard about you." It could only have been from the Chironians he had talked with earlier. Why would they mention his name to her? Who was she? She came nearer and smiled. "My name is Kath. I have some connection with the technical aspects of what goes on here. From what I've heard, I'd imagine you'd find this an interesting place. Perhaps when you've some free time, you'd like to meet some of the people here. If you like, I could mention it to them." "Was that why those guys took off?" Jay asked, by now having regained most of his color. "It probably had something to do with it," Colman said, grinning. "That's the kind of trash you have to deal with. Still interested?". crawled a ladybug, orange carapace like a polished bead.. Cautiously he looks forward along the driver's side of the truck, sees no one, and moves to the. "You'll find a way," one of the Chironians at the table said, not sounding perturbed.. task is to stop any SD's getting out and, more important, to stop Stern and his people from getting in if things go well and they realize they can't hold the rest of the ship. What we have to prevent at all costs is Stern and Stormbel get/ ting in there and detaching the module so that it can threaten the rest of the Mayflower II as well as the planet
