Wizards are used to overweening confidence in the young of their kind. They expect modesty to come later, if at all. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by his uncomplaining patience, he took pity on him and said, "You should either go to Roke or find a wizard to teach you what you need. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. He had put his spell on her, and she looked like a man, though she did not feel like one. She and Ivory took each other in their arms, because after all they had been friends, companions, and he had done all this for her. "Courage!" he said, and let her go. She walked up the street and stood before the door.
